**Charlene Baktamarian and her husband, Andrew,** are the founders of The Spirit of the Lord Ministries and GSTN, located in Cheyenne, Wyoming. They are both graduates of (ISOM) & International School of Ministries Bible College. She is ordained by Dr. Joelle Suel. The Spirit of the Lord Ministries is dedicated to speaking the truth in love to bring salvation, deliverance, restoration, and healing to the Body of Christ. It is an International traveling ministry bringing fresh fire of revival to the hearts of God's people. God has placed a strong anointing on this ministry to bring an accurate word in season that will bring you Out of the Old and into The New. Signs, wonders and miracles follow those who believe. Andrew and Charlene believe, therefore signs, wonders and miracles are daily manifestations in the ministry wherever they go.

Charlene has ministered in Japan, Africa, Hawaii, Alaska, Colorado and many other places. Charlene's Heart is to come with a message that is not through persuasive or enticing words, but with a demonstration of the Spirit's power. She preaches the gospel to help people to be strong in the Lord, bringing wholeness and the missing pieces of the puzzle together in their lives. As she speaks the word, the Holy Spirit can touch people's hearts to melt the pride. In this way they will no longer want to be in charge of their own lives, but desire and allow God to do so, thus producing serving hearts. Charlene is known as a preacher who will teach you the Word and stir you up to do what it says. Charlene moves in submission to the Holy Spirit in the outpouring and use of all the gifts evident through Him. A prophetic mantle rests upon her life as she boldly moves in prophecy.

Charlene has served the Body of Christ in many different capacities: Television Network Television talk show host, Leader of Women's Praise and Worship Team, Prison Ministry, Conference Coordinator, Altar Ministry Leader, Conference Speaker, Director of Women's Ministry, Director of Intercessor Prayer Groups, Hospital Ministry, Author.

The Lord has brought **Jennifer Griffin and her husband Joshua** on an incredible journey. After 28 years of growing up in a religious cult, Jesus came to the rescue. As God began to call Jennifer into relationship with Him, He also imparted deep healing and a desire to see others healed. Jennifer and Joshua began their ministry leading worship for a marriage covenant retreat and weekly classes. Eventually they opened their home for weekly praise and worship as well as prayer and healing times. Jennifer has worked one on one with many people in the area of inner healing and deliverance. She carries a deep desire to see people walk in true freedom.

She has appeared on Daystar and is currently involved in a weekly television program on GSTN called "God's View". Back in 2004, she and her husband founded a youth and community center in Wellington, Colorado where they currently reside. Jennifer and her husband are both ordained ministers and gifted in prophetic worship. This ministry is excited to be a part of God's new season. It is time for the body of Christ to rise up and cast off the old garments to walk in His robes of righteousness.

**Worship Leaders-Joshua & Jennifer Griffin,** have as the purpose of their ministry, to encounter God face to face and pursue Him relentlessly. Joshua, Jennifer and their family carry the anointing in prophetic worship. Their desire is to find intimacy and direction through God's manifest presence. They founded a ministry in Wellington, Colorado in 2004, called "The Filling Station", as an outreach for the hurting and lost and those in need of healing and deliverance. The Lord has directed them to shout for the cities and awaken this generation to the move of God.
